Here's a new position in Soldotna, AK. If you know of someone who might be interested (or know of someone who might know someone...), please forward or let me know! Thank you very much for your assistance!

### **ARU Biologist or Ecologist**

NAPCA needs a senior 55 years of age or older (PL-98-313) to work under the Senior Environmental Employment (SEE) Program, for the U.S. Environmental Protection Agency (EPA) Aquatic Resources Unit (ARU) in Soldotna, Alaska.

#### **Qualifications:**

Must be at least 55 years of age. Have BA/BS in Ecology, Biology, Resource Management, Environmental Studies, or related field. Have a minimum of 10 years in resource management

or field-based ecological or biological research, or environmental protection. Proficient in PC, MS Word, Excel, and able to use GIS applications. Have good organizational and communication skills.

**Responsibilities and Duties:**

Under the supervision of and in cooperation with an EPA staff ecologist, and in cooperation with an EPA contractor, the SEE employee will help to 1) Compile scientific information on the salmon resources of Bristol Bay, Alaska, 2) Compile information on existing and potential human-caused risks to salmon resources of Bristol Bay, 3) Assist with outreach to tribes and the public regarding EPA's activities to protect salmon resources in Bristol Bay, 4) Other duties as assigned in support of EPA's Clean Water Act Section 404 program in Alaska. Occasional travel. Health and safety training may be provided.

\$12.72 per hour / 30-40 hours per week. Temporary year-to-year. Holidays, vacation, sick leave, insurance.
